If you need some Matzah  
And do not have boiled egg,  
If you need some bitter herb  
You do not have to beg  
We can help you with the Haggadah  
On screen, and all the songs there too  
It's just your meal you need to make  
The rest we'll lead for you.

Details of the Zoom login will be sent nearer the time

If you need anything for Pesach or the Seder, please let us know, preferably by 14<sup>th</sup>  
March and we will do our best to procure it and get it to you.
